

**THE UNIVERSITY OF THE WEST INDIES
MONA, JAMAICA, WEST INDIES**

The University of the West Indies (UWI) is a dynamic, international institution serving the countries of the Commonwealth Caribbean. Its faculties and institutes offer a wide range of undergraduate, masters and doctoral programmes in Humanities and Education, Science and Technology, Engineering, Law, Medical Sciences, Sport and the Social Sciences. The institution represents the oldest of its kind within the region and has been responsible for producing outstanding leaders who have made remarkable contributions to regional development.

Applications are invited from suitably qualified individuals for the post of:

LECTURER/ SENIOR LECTURER IN MATHEMATICS
Department of Mathematics
Reference No. MPN100305

The Department of Mathematics offers undergraduate, Masters and PhD degrees and has strong research in the areas of Fluid Mechanics, Computational Methods, Fuzzy Mathematics, Operations research and Applied Statistics, and is developing a research capacity in Actuarial Science. The successful candidate will be required to:

- Teach undergraduate and graduate courses;
- Develop an active research programme;
- Supervise research students at the undergraduate (final year), Masters and Ph.D. levels;
- Carry out administrative duties as required by the department.

Essential Qualifications And Experience:

- Applicants must have a Ph.D in any area of the Mathematical Sciences with preference to the research areas related to, Analysis, Algebra and Actuarial Science. However, strong candidates with other research interests will also be considered. Experience in teaching and independent research, including a track record in attracting research grants, is desirable. In the field of Actuarial Science, a candidate with Actuarial credentials (Associate/Fellow) in any actuarial professional organization with strong research is also given the equal consideration.
- He/she should have at least five (5) years' teaching experience at the tertiary level;

Candidates who possess the following will be at a distinct advantage:

- Certificate in University Teaching;
- Experience in teaching and independent research;
- Track record of attracting research grant;
- In the field of Actuarial Science, a strong candidate with Actuarial credentials (Associate/Fellow) in any actuarial professional organization with strong research is also given equal consideration.

For further particulars regarding the University of the West Indies and the Department of Mathematics, visit us at <https://www.mona.uwi.edu/mathematics/>

Applicants are required to submit a completed employment application form, curriculum vitae, (inclusive of a statement on teaching and research interests), giving full particulars of qualifications, experience, the names and addresses of three (3) referees (one of whom should be from your present organization) and copies of academic qualifications. These should be sent by electronic mail to hcmd.odes@uwimona.edu.jm addressed to the **Campus Registrar** for the attention of the **Director, Human Resource Management Division, The University of the West Indies, Mona Campus, Kingston 7, Jamaica**. All applications must include the reference number **MPN100305** in the subject line of the email. The final date for receipt of applications is **February 21, 2020**. Applicants are advised to ask their referees to send reports under confidential cover to the above address without waiting to be contacted.

The successful candidate is expected to assume duties on **August 1, 2020**.

The University thanks all applicants. However, due to the volume of applications, only shortlisted candidates will be contacted.
