

**THE UNIVERSITY OF THE WEST INDIES  
MONA, JAMAICA, WEST INDIES**

The University of the West Indies (UWI) is a dynamic, international institution serving the countries of the Commonwealth Caribbean. Its faculties and institutes offer a wide range of undergraduate, masters and doctoral programmes in Humanities and Education, Science and Technology, Engineering, Law, Medical Sciences, Sport and the Social Sciences. The institution represents the oldest of its kind within the region and has been responsible for producing outstanding leaders who have made remarkable contributions to regional development.

Applications are invited from suitably qualified individuals for the post of:

**SENIOR LECTURER/LECTURER IN ANATOMICAL PATHOLOGY**  
**Department of Pathology**  
**Reference No. MPN100419**

The Department of Pathology is one of the eight departments in the Faculty of Medical Sciences (FMS), the University of the West Indies (UWI), Mona Campus. The Department offers undergraduate teaching to students in the FMS and postgraduate professional graduate programmes in the subspecialties of Anatomical Pathology, Chemical Pathology (Clinical Chemistry) and Haematology/Oncology. It conducts research into various areas covered by its subspecialties and also provides laboratory diagnostic services to the University Hospital of the West Indies and a number of private entities.

The successful candidate will be required to:

- Teach Anatomical Pathology at the undergraduate and postgraduate levels;
- Participate in the supervision and training of postgraduate students as necessary;
- Research and publish in Anatomical Pathology and related areas;
- Actively contribute to the development and affairs of the department in all areas.

**Essential Qualifications And Experience:**

- Medical qualification (M.B.,B.S., MD, or other)
- Doctor of Medicine (DM) in Pathology or recognized equivalent degree or Board certification/Royal College Fellowship in Anatomical Pathology;
- A solid publication record for appointment at the senior level;
- Minimum of three (3) years teaching science/medical students at the university level.

**Candidates who possess the following will be at a distinct advantage:**

- Interest and experience in research in Pathology;
- Certificate in University Teaching;
- Good command of oral and written English
- Ability to interact positively with academic, support staff and students.

For further particulars on the University of the West Indies, Mona and the Department of Pathology, visit <https://www.mona.uwi.edu/fms/department-pathology>

Applicants are required to submit a completed employment application form, curriculum vitae, (inclusive of a statement on teaching and research interests), giving full particulars of qualifications, experience, the names and addresses of three (3) referees (one of whom should be from your present organization) and copies of academic qualifications. These should be sent by electronic mail to [hcmd.odes@uwimona.edu.jm](mailto:hcmd.odes@uwimona.edu.jm) addressed to the **Campus Registrar** for the attention of the **Director, Human Resource Management Division, The University of the West Indies, Mona Campus, Kingston 7, Jamaica**. All applications must include the reference number **MPN100419** in the subject line of the email. The final date for receipt of applications is **February 28, 2020**. Applicants are advised to ask their referees to send reports under confidential cover to the above address without waiting to be contacted. The successful candidate is expected to assume duties on **August 1, 2020**.

**The University thanks all applicants. However, due to the volume of applications, only shortlisted candidates will be contacted.**
