|  | class units: 38                                     |  |   |   |  |
| <b>Total 47</b>  | Lecturers   |  | Courses   |   |  |
| 4  | BM (Basil Mangaroo)                                 |  | Engineering Tools and Practice - Machine Shop Tech (ENGR1200) |   |  |
| 4  | "   |  | Engineering Tools and Practice - Eng Graphics (ENGR1200)      |   |  |
| 4  | Christina Douglas                                   |  | Physics for Engineers Lab (ELNG1101-LAB)                      |   |  |
| 4  | Dr. Kolapo Alli                                     |  | Electrical Machines I (EPNG1210)                              |   |  |
| 4  | Paul Wilson   |  | Engineering Labs and Designs II (ENGR1205)                    |   |  |
| 3  | Raymond Dixon                                       |  | Engineering Labs and Designs II (ENGR1205)                    |   |  |
| 3  | Renee Gordon  |  | Physics for Engineers Lab (ELNG1101-LAB)                      |   |  |
| 4  | Dr. Roxann Stennett- Brown                          |  | Intro to Thermodynamics and Fluid Mechanics (EPNG1201)        |   |  |
| 4  | Shemar Clarke                                       |  | Engineering Tools and Practice - Eng Application (ENGR1200)   |   |  |
| 3  | Samuel Daniel                                       |  | Physics for Engineers (ELNG1101-TUTORIAL)                     |   |  |
| 4  | "   |  | Physics for Engineers (ELNG1101-LECTURE)                      |   |  |
| 2  | Sasha-Gay Wright                                    |  | Engineering Labs and Designs II (ENGR1205)                    |   |  |
| 4  | Yekini Wallen-Bryan                                 |  | Engineering Tools and Practice - Mechatronics & 3D (ENGR1200) |   |  |
