

## Index to Volume 56: 2007

### **Aarons DE.**

Ethics, liabilities and licensing to practice, 208–212

### **Aarons DE.**

Prognostication of critically ill patients – the 'science,' the 'art' and the creeping commercialism, (Editorial) 393

**Abe S** – see Inoue K, 312–313

**Abel C** – see Dundas SE, 508–513

**Abel WD** – see Gibson RC, 171–177

Aberrant subclavian artery, 288–293

Acculturative stress, Caribbean immigrants, 213–222

Acute myocardial infarction admissions, Antigua and Barbuda, 326–329

**Adamson J** – see Martin TC, 498–501

**Adesiyun AA**, Gooding R, Ganta K, Seepersadsingh N, Ramsewak S. Congenital toxoplasmosis in two health institutions in Trinidad, 166–170

Adiposity and weight change, Jamaica, 398–403

**Adogwa A** – see Joseph J, 481–486

Adolescent, antenatal care, 414–420

Advanced anoplasty, trans-sphincteric fistula-in-ano, 446–450

**Afza N** – see Saleem M, 526–529

### **AGEING**

– A case report of chronic subdural haematomas in two elderly patients, 547–549

– Falls in the elderly, Jamaica, 534–539

– Funny turns in an elderly man, 376–379

Aggression, in Jamaican schoolboys, 34–41

### **AIDS**

– Assessment of knowledge and attitudes about HIV/AIDS among inmates of Quthing prison, Lesotho, 48–54

– Behavioural symptoms, HIV infected children, Dominica Republic, 55–59

– Caregivers' perception of HIV-infected Dominican children's behaviour, 42–47

– The 16<sup>th</sup> international AIDS conference, Toronto, 2006: working to increase the response to the growing global epidemic, (Editorial) 1–4

– The mean levels of adherence and factors contributing to non-adherence in patients on highly active antiretroviral therapy, 270–274

– Trends in the uptake of antenatal voluntary counselling and testing for HIV and HIV prevalence among childbearing women in Barbados, 1993–2004: Evidence to gauge the effectiveness of HIV prevention measures, 60–65

**Aitken RDC** – see Jaggon JR, 544–546

**Akeke VA**, Mokgatle M, Oguntibeju OO.

Assessment of knowledge and attitudes about HIV/AIDS among inmates of Quthing prison, Lesotho, 48–54

**Akin S** – see Saatci E, 253–257

**Akpaka PE**, Smikle MF.

Molecular epidemiology of methicillin resistant coagulase-negative staphylococci isolates from blood specimens at a tertiary hospital in the Caribbean, 464–465

**Akpinar E** – see Saatci E, 253–257

**Alary M** – see George C, 433–438

Albendazole, administration, 372–375

Aldosterone, 258–263

**Alexander J** – see Hemmings SC, 341–345

**Ali A**, Christian D, Chung E.

Funny turns in an elderly man, 376–379

**Alleyn GAO.**

Appreciation of Professor Eric Cruickshank (tribute), 390–391

**Alleyn T** – see Joseph J, 481–486

**Anadol Z** – see Kurukahvecioglu O, 530–533

### **ANAESTHESIA**

– Comparison of general anaesthesia and spinal anaesthesia for Caesarean section in Antigua and Barbuda, 330–333

– Effect of meloxicam on postoperative pain relief after inguinal hernia repair with local anaesthesia, 530–533

Anamu, guinea hen weed, 17–21

**Anatol T**, Maharaj P, Leach J.

A barium chemobezoar in an infant, 469–471

Angioedema, The University Hospital of the West Indies, 278–281

**Ankola A** – see Meghashyam Bhat, 96–98; 99–100

Antenatal care, adolescent girls, older women 414–420

Antepartum complications, 421–426

Antinuclear antibodies and HLA class II alleles, Systemic lupus erythematosus, 130–133

Antiretroviral therapy, non-adherence, 270–274

**Antoine M** – see Duncan ND, 285–287

APACHE II, 240–245

Arthritis, 202–207

**Aryncy-Yncel N** – see Bolgen-Cimen O, 252

**Ashman H** – see Williams EW, 288–293

**Asnani M**, Char G, Reid M, Miller Nanton P.

Intrathoracic and pelvic extramedullary haematopoiesis in sickle cell disease, 540–543

**Asnani M**, Lipps G, Reid M.

Component structure of the SF-36 in Jamaicans with sickle cell disease, 491–497

AST-1, 11–16

Asthma, Barbados, 427–432

**Ataoglu A** – see Ozcetin A, 122–129

**Ataoglu S** – see Ozcetin A, 122–129

**Augier R** – see Harding Goldson HE, 230–233

**Baboolal NS**, Lalla S, Chai M, Curtis R, Nandwani C, Oliver L, Smith C.

Childhood sexual abuse among outpatients attending adult psychiatric outpatient clinics: a case-control study, 152–158

**Bailey-Shaw YA** – see Williams LAD, 487–490

**Barau G** – see Roman H, 421–426

**Barbaros U** – see Erbil Y, 187–189

**Barton EN** – see

– Christian N, 130–133

– Chung A, 305–308

– Gayle F, 310

– Smith R, 300–304

– Soyibo AK, 309; 355–363

– Williams LAD, 5–10; 17–21; 487–490

– Williams M, 270–274

**Bassaw B**, Pitt-Miller P.

Modernizing medical education: perspective from a developing country, 80–85

**Beazer C** – see Martin TC, 326–329

Beck depression inventory – II, 404–408

### **BEHAVIOUR**

– Attitude towards intimate partner violence against women and risky sexual choices of Jamaican males, 66–71

– Caregivers' perception of HIV-infected Dominican children's behaviour, 42–47

– Determinants of aggressive and prosocial behaviour among Jamaican schoolboys, 34–41

Behavioural symptoms, HIV infected children, Dominica Republic, 55–59

**Bell P** – see Martin TC, 330–333

**Benaris M** – see Crandon IW, 226–229

**Bennett B** – see Martin TC, 326–329

**Besterman, Edwin**, 560–561

**Bhaskar YG** – see Martin TC, 134–138

**Bishop BE.**

A new perspective on evolution, (Editorial) 317–319

**Bobb N** – see Hariharan S, 144–151

*Boehmeria jamaicensis* urb, cold and sinus infections, 487–490

**Bolgen-Cimen O**, Aryncy-Ýncel N, Karabiber M, Erdogan C.

Role of obesity in low back pain related disability, 252

**BoTao F** – see Hongzong S, 451–457

**Boyne MS** – see

– Chin S, 182–186

– McKenzie CA, 258–263

**Bozborra A** – see Erbil Y, 187–189

**Bozkir MG** – see Erdođan M, 72–76

**Braithwaite N** – see Braithwaite AF, 26–33

**Braithwaite AF**, Braithwaite N, del Riego A.

Epidemiological profile of cancer for Grand Bahama residents: 1988–2002, 26–33

## BREAST

– Breast cancer, quality of life, 159–162; 253–257

– Breast imaging update, 351–354

## BRIEF COMMUNICATION

– Molecular epidemiology of methicillin resistant coagulase-negative staphylococci isolates from blood specimens at a tertiary hospital in the Caribbean, 464–465

**Burgos N** – see Mendoza R, 55–59

**Burgos N**, Hernandez-Reif M, Mendoza R, Castillo R, Shor-Posner G.

Caregivers' perception of HIV-infected Dominican children's behaviour, 42–47

*Bursera*, antibacterial activity, 22–25

Caesarean section in Antigua and Barbuda, 330–333

**Caglar MK**, Yeginsu A, Ozer I.

Chest wall abscess due to aspiration of grass inflorescence, 312–314

**Campbell K**, Asnani M, Cunningham-Myrie C, Cummings V, Barton EN, Reid M.

Determinants of blood pressure in adults with sickle cell disease, 311

## CANCER

– Breast cancer, quality of life, 159–162; 253–257

– Do the unmet needs affect the quality of life in breast cancer patients? 253–257

– Epidemiological profile of cancer for Grand Bahama residents: 1988–2002, 26–33

– Synchronous carcinoid tumour of the small intestine and appendix in the same patient, 187–189

*Candida albicans*, 526–529

**Cao G** – see Luke A, 398–403

## CARDIOLOGY

– Acute renal failure post coronary artery bypass grafting at the University Hospital of the West Indies, 300–304

– Cardiac disease in dialysis patients in a Jamaican hospital: echocardiographic findings that predict mortality, 305–308

– Characteristics, treatment and short-term survival of patients with heart failure in a cardiology private practice in Jamaica, 139–143

– Sensitivity and specificity of the electrocardiogram in predicting the presence of increased left ventricular mass index on the echocardiogram in Afro-Caribbean hypertensive patients, 134–138

– Support vector machines classification for discriminating coronary heart disease patients from non-coronary heart disease, 451–457

– The age-specific incidence of admission to the intensive care unit for acute myocardial infarction in Antigua and Barbuda, 326–329

– Vasopressin for refractory hypotension during cardiopulmonary bypass, 550–554

Caribbean immigrants, 213–222

Caribbean renal registry, 309; 355–363

**Carter AO** – see Kumar A, 60–65

## CASE REPORTS

– A barium chemobezoar in an infant, 469–471

– A case report of chronic subdural haematomas in two elderly patients, 547–549

– Central pontine myelinolysis in a patient with hyponatraemia, 382–384

– Cutaneous human myiasis due to *Dermatobia hominis*, 466–468

– Disappearance of recurrent intra-abdominal extrahepatic hydatid cyst following oral albendazole administration, 372–375

– Extensive myelination with retinal detachment: a diagnostic challenge, 472–473

– Fatal septicaemia due to *chromobacterium violaceum*, 380–381

– Funny turns in an elderly man, 376–379

– Insulinoma induced hypoglycaemia in a Jamaican patient, 182–186

– Intrathoracic and pelvic extramedullary haematopoiesis in sickle cell disease, 540–543

– Isolated oesophageal cyst connected with the bronchus, 385–386

– Maternal hydrocephalus in pregnancy and delivery: a report of two cases, 558–559

– Moyamoya disease associated with positive findings for rheumatoid factor and myeloperoxidase-anti-neutrophil cytoplasmic antibody, 282–284

– Obstruction of the duodenum by a preduodenal portal vein in *situs inversus*, 285–287

– Penetrating neck trauma and the aberrant subclavian artery, 288–293

– Pleomorphic hyalinizing angiectatic tumour of soft parts: a case report and review of the literature, 544–546

– Primary leiomyosarcoma of the tibia – five years without recidivism, 555–557

– Six years experience of angioedema at the University Hospital of the West Indies, 278–281

– Synchronous carcinoid tumour of the small intestine and appendix in the same patient, 187–189

– The lungs in tuberous sclerosis complex, 178–181

– Treatment of congenital pseudarthrosis of the tibia with illizarov technique, 294–299

– Vasopressin for refractory hypotension during cardiopulmonary bypass, 550–554

**Castillo R** – see

– Burgos N, 42–47

– Mendoza R, 55–59

Cathepsin K, 202–207

**Catto G.**

The profession in the 21<sup>st</sup> century, (Editorial) 199–201

**Cawich SO** – see Williams EW, 288–293

Central pontine myelinolysis, hyponatraemia, 382–384

**Chadee DD** – see Rawlins SC, 115–121

**Chai M** – see Baboolal NS, 152–158

**Channer G** – see Williams-Johnson JA, 278–281

**Char G** – see Asnani M, 540–543

**Chen A** – see Rawlins SC, 115–121

**Chen D** – see Hariharan S, 144–151; 240–245

Chest wall abscess, grass inflorescence 312–314

Chicken collagen, 202–207

## CHILD HEALTH

– A barium chemobezoar in an infant, 469–471

- Behavioural symptoms, HIV infected children, Dominican Republic, 55–59
- Childhood sexual abuse among outpatients attending adult psychiatric outpatient clinics: a case-control study, 152–158
- Dental caries in children, 96–98
- HIV, Dominican children, 42–47
- Outcome of extremely low birthweight infants at the University Hospital of the West Indies, Jamaica, 409–413
- Paediatric day surgery, the University Hospital of the West Indies, 320–325

**Chin S**, Popat V, Boyne MS, Cochran C, Tulloch-Reid M.  
Insulinoma induced hypoglycaemia in a Jamaican patient, 182–186

Cholecystectomy, 275–277

**Christian D** – see Ali A, 376–379

**Christian N**, Smikle MF, DeCeulaer K, Daniels L, Walravens MJ, Barton EN.  
Antinuclear antibodies and HLA class II alleles in Jamaica patients with systemic lupus erythematosus, 130–133

*Chromobacterium violaceum*, 380–381

Chronic disease clinics, Trinidad, 108–114

**Chung A**, Iheonunekwu N, Gilbert DT, Barton EN.

Cardiac disease in dialysis patients in a Jamaican hospital: echocardiographic findings that predict mortality, 305–308

**Clarke T** – see Williams M, 270–274

Climate change and public health, Trinidad 115–121

#### CLINICAL TRIALS

- Towards research equity – challenges of safety monitoring during clinical trials in resource-limited settings, 163–165

**Cochran C** – see Chin S, 182–186

#### COLLAGEN VASCULAR DISEASE

- Antinuclear antibodies and HLA class II alleles, systemic lupus erythematosus, 130–133
- Effects of depression and anxiety on quality of life of patients with rheumatoid arthritis, knee osteoarthritis and fibromyalgia syndrome, 122–129

#### CONGENITAL

- pseudarthrosis, 294–299
- rickets, hypocalcaemic seizures, 364–367
- toxoplasmosis, Trinidad, 166–170

**Conrad J** – see Williams LAD, 5–10

**Cooper RS** – see Luke A, 398–403

Copper, marginally low, 481–486

Coronary artery bypass grafting, 300–304

**Crandon IW** – see

- Fletcher H, 558–559
- Harding-Goldson HE, 230–233

**Crandon IW**, Harding-Goldson HE, McDonald AH, Fearon-Boothe D, Meeks-Aitken N.

The aetiological aspects of head-injury in admitted patients in Jamaica, 223–225

**Crandon IW**, Harding-Goldson HE, Benaris M, McDonald AH.

Unnecessary admissions of head-injured patients at the University Hospital of the West Indies, 226–229

**Crandon IW**, Eldemire-Shearer D, Fearon-Boothe D, Morris C, James K.

A case report of chronic subdural haematomas in two elderly patients, 547–549

**Crawford-Sykes A** – see Scarlett M, 320–325

Critical illness, prognostication of, 393

Critical limb ischaemia, 439–445

**Crosdale BD** – see Iheonunekwu NC, 178–181

**Cruickshank, Eric**, 390–391

**Curtis R** – see Baboolal NS, 152–158

**Daisley H** – see Ogunsalu C, 90–95

**Daniels L** – see Christian N, 130–133

**David Bradshaw Stewart**, 103

**De Freitas L** – see Hariharan S, 144–151

**DeCeulaer K** – see Christian N, 130–133

**del Riego A** – see Braithwaite AF, 26–33

#### DENTAL

- Dental caries in South India, 96–98
- Lifestyle of dentists' in South India, 99–100
- Odontogenic keratocyst in Jamaica: a review of five new cases and five instances of recurrence together with comparative analyses of four treatment modalities (dental forum), 90–95
- Periodontal disease in the Caribbean, 190–193
- Prevalence of taurodontism in premolars among patients at a tertiary care institution in Trinidad, 368–371

**Depradine CA**, Lovell EH.

The incidence of asthmatic attacks in Barbados, 427–432

#### DEPRESSION

- Effects of depression and anxiety on quality of life of patients with rheumatoid arthritis, knee osteoarthritis and fibromyalgia syndrome, 122–129
- Validation of the beck depression inventory – II in a Jamaican university student cohort, 404–408

*Dermatobia hominis*, 466–468

#### DIABETES MELLITUS

- Trends in the incidence of Type I diabetes mellitus worldwide, 264–269

#### DIALYSIS

- Cardiac disease in dialysis patients in a Jamaican hospital: echocardiographic findings that predict mortality, 305–308
- Dialysis patients, quality of life, 310

Dibenzyl trisulphide, 17–21

**Dickson T** – see Martin TC, 498–501

**DiGiantomasso E** – see Martin TC, 498–501

*Diplosolenodes occidentalis*, antihistamine, 11–16

Disaster, 346–350

Distance medical education, 86–89

**Djapic T** – see Sestan B, 555–557

**Doneray H** – see Orbak Z, 364–367

**Douglas KO**, Kilpatrick AM, Levett PN, Lavoie MC.

A quantitative risk assessment of the west Nile virus introduction into Barbados, 394–397

**Douglas V** – see Williams EW, 288–293

Drugs, 458–463

**Duncan ND** – see

- Dundas SE, 508–513
- Scarlett M, 320–325

**Duncan ND**, Trotman H, Seepersaud M, Dundas SE, Thame M, Antoine M.

Obstruction of the duodenum by a preduodenal portal vein in *situs inversus*, 285–287

**Dundas SE** – see Duncan ND, 285–287

**Dundas SE**, Abel C, Duncan ND, Pinnock-Ramsaran C, Sawh DM.

Pre-adolescent gunshot injuries: anatomy of a Jamaican problem, 508–513

Duodenum obstruction, preduodenal portal vein, 285–287

**DuQuesnay D** – see East JM, 520–525

**Durazo-Arvizu RA** – see Luke A, 398–403

Dyslipidaemia management in Jamaica and Trinidad, 334–340

#### EAST JM

Mesh tuck repair of ventral hernias of the abdomen: a new, simplified technique for sublay herniorrhaphy, 514–519

**East JM**, DuQuesnay D.

Sclerotherapy of idiopathic hydroceles and epididymal cysts: a historical comparison trial of 5% phenol versus tetracycline, 520–525
