

Index to Volume 60: 2011

- Abdominal pain and levodopa in Parkinson's disease, 223–224
Abdominal pregnancy, 587–589
Abe S – see Inoue K, 103
Abel WD, Richards-Henry M, Wright EG, Eldemire-Shearer D.
Integrating mental health into primary care: An integrative collaborative primary care model – The Jamaican experience, 483–489
Abel WD, Sewell C, Eldemire-Shearer D.
Decriminalization of marijuana: Is this a realistic public mental health policy for Jamaica?, 367–370
Abram M – see Zelić M, 96–98
Acevedo P, Jorge JC, Cruz-Sánchez A, Amy E, Barreto-Estrada JL.
A ten-year assessment of anabolic steroid misuse among competitive athletes in Puerto Rico, 531–535
Acharya S – see Thippeswamy HM, 581–586
Achilles tendon rupture, 263–268
Acromioclavicular joint separation, 303–307
Acute confusion, 571–575
Acute lymphoblastic leukaemia, 594–595
Adebayo ET – see Ajike SO, 220–222
Adebayo TO – see Akinloye O, 308–315
Adedayo O – see Iheonunekwu N, 99–101
Adedayo O, Iheonunekwu N, Jefferson D.
Acute fulminant myocarditis and the 2009 pandemic influenza A virus (H1N1), 217–219
Adenovirus, 188–194
Adeyeba OA – see Ojurongbe O, 19–23
Adeyemo WL – see Ogunlewe MO, 91–95
Adherence in HIV, 269–275
Adolescents, 158–164, 165–171
Adrenal insufficiency, 225–228
Adrenaline, 91–95
Adrenocorticotrophic hormone, 225–228
Advanced abdominal pregnancy, 587–589
AFRICA
 - Taming the burgeoning stroke epidemic in Africa: Stroke quadrangle to the rescue, 412–421Ageing, 471–477
Agouti, 46–52
Aiken W – see Morrison BF, 68–72
Aiken WD.
Prostate cancer incidence in Jamaica before and after the introduction of prostate-specific antigen, 597
Aiken WD – see
 - Morrison BF, 102
 - Tulloch-Reid MK, 316–321**Aiken WD**.
Screening for prostate cancer: Throwing out the baby with the bathwater, 503–504
Airway management, 220–222
Aitken R – see Harry MF, 344–345
Ajayi IO – see Nwokocho CR, 13–18, 330–335
Ajike SO, Omisakin OO, Mohammed RI, Adebayo ET.
Challenges of airway management in a patient with temporomandibular joint ankylosis complicating forceps delivery, 220–222
Ajike SO, Omisakin OO.
Temporomandibular joint ankylosis in a Nigerian teaching hospital, 172–176
Ajuluchukwu J NA – see Ogunlewe MO, 91–95
Akinloye O, Adebayo TO, Oguntibeju OO, Oparinde DP, Ogunyemi EO.
Effects of contraceptives on serum trace elements, calcium and phosphorus levels, 308–315
Akpaka PE – see Ogunsalu C, 235–239
Alfred R, Wright-Pascoe R.
Acute limb ischaemia in a septic patient with diabetic ketoacidosis, 214–216
Ali A – see West WM, 571–575
Ali E – see Morris E, 452–458
Ali S – see King L, 177–180
Allen CF, Simon Y, Edwards J, Simeon DT.
Adherence to antiretroviral therapy by persons accessing services from non-governmental HIV support organisations in three Caribbean countries, 269–275
Alleyn G, Samuels TA.
The West Indian Medical Journal and non-communicable diseases: The next 60 years, 379–381
ALODAC, 158–164
Alp H, Orbak Z, Erdogan T, Karabag K, Gursan N.
Recurrent parotitis as a first manifestation in a child with primary Sjögren's syndrome, 685–687
Altat FM.
The anatomical basis of the medial sural artery perforator flaps, 622–627
Ameloblastoma, 240–246
Ameloblastoma and cryosurgery, 240–246
Amy E – see Acevedo P, 531–535
Amyloidosis, 681–684
Anastassopoulou I – see Staikou C, 513–518
ANATOMY
 - Experimental study on the atlanto-axial joint and related structures with regional anatomy and medical imaging, 548–552
 - The organization of the brainstem nuclei associated with the vagus nerve in the Agouti (*Dasyprocta leporina*): A neurohistological study, 46–52**Anderson-Worts P** – see Borja-Hart N, 199–202
Andrews B.
Sociodemographic and behavioural characteristics of youth reporting HIV testing in three Caribbean countries, 276–283
Aneurysm, 636–640
Angioedema, 346–348
Angiography, 357–359
Anglin-Brown B, Mullings J, James K.
Epidemic management: A Caribbean university's response to the 2009 H1N1 outbreak, 203–207
Ankle impingement in cricket, 77–81
Ankylosis, 220–222
Ankylosis and temporomandibular joint, 172–176
Anomneze E – see Smith SI, 33–35
Anopheles, 562–563
Anopheles albimanus in St Kitts, 562–563
ANTIBIOTIC RESISTANCE
 - Antimicrobial drug resistance in *Escherichia coli* isolated from commercial chicken eggs in Grenada, West Indies, 53–56
 - Comparison of antibiotic resistance and virulence factors in pigmented and non-pigmented *Pseudomonas aeruginosa*, 24–32Antibiotic resistance, 24–32
Anti-inflammatory, 615–621
Antimicrobial susceptibility in periodontitis, 235–239

- Antimicrobial therapy, 57–60
 Antiretroviral therapy, 269–275
 Antiretroviral therapy adherence, 269–275
 Anxiety disorders, 247–248
 Aorta, 636–640
 Apoptosis, 107–113
Aquart AM – see Vaughan KD, 688–689
Arathy DS, Vanpee G, Belot G, Mathew V, DeAllie C, Sharma R.
 Antimicrobial drug resistance in *Escherichia coli* isolated from commercial chicken eggs in Grenada, West Indies, 53–56
Archibald A – see Ogunsalu C, 336–339
Arjomandzadegan M, Sadriani M, Surkova LK, Titov LP.
 Study of promoter and structural gene sequence of *whiB7* in MDR and XDR forms of *Mycobacterium tuberculosis*, 251–256
 Arthritis, 615–621
 Arthritis-dermatitis syndrome, 688–689
 Arthroplasty, 172–176
Asnani M – see Parshad O, 148–152
 Aspiration pneumonia, 371–372
Aswani V – see Lamba G, 346–348
 Atherosclerosis, 132–136
 Atherosclerosis of pulmonary vascular system, 132–136
 Atlanto-axial joint and related structures, 548–552
 Autophagy, 666–668
 Autotransplants – Mammalian skin, 257–262
Avgerinos E – see Pikoulis E, 351–353
Bahall M – see Ramcharan K, 694–695
BAHAMAS
 – Seroprevalence of *Helicobacter pylori* infection in adults in the Bahamas, 662–665
 – The socio-economic determinants of obesity in adults, 434–441
Bailey A – see Holder-Nevins D, 158–164
Bailey A.
 The Jamaican adolescent's perspective on violence and its effects, 165–171
Balkaran R, Naidu R, Teelucksingh S, Seemungal T, Pinto Pereira L, Prayman E, Bissoon A.
 A preliminary investigation of periodontal disease and diabetes in Trinidad, 86–90
BARBADOS
 – Chronic non-communicable disease risk factor survey 2010 among University of the West Indies staff at Cave Hill, Barbados, 452–458
 – The Barbados Eye Studies, 459–463
Barnes D – see McDowell D, 360–366
Barran A – see Mungrove K, 553–556
Barreto-Estrada JL – see Acevedo P, 531–535
Barton EN – see
 – Clarke TR, 357–359
 – Soyibo AK, 464–470
Barton EN
 Sixtieth Anniversary — West Indian Medical Journal, 377–378
Basios N – see Pikoulis E, 351–353
Bassaw B, Naraynsingh V.
 Ward-rounds: Role in Clinical Teaching and Learning in Contemporary Medicine, 601–603
Baugh DS – see Madu EC, 653–657
Beharry A, Rios M, Sandy S, Chin J, Pooran S, Welch W, Seemungal T.
 Audit of sudden deaths in the accident and emergency department of a tertiary hospital in Trinidad and Tobago, 61–67
 Behavioural characteristics, 276–283
Bell GI – see Boodram LG, 604–607
Belot G – see Arathy DS, 53–56
Bennett FI – see Tulloch-Reid MK, 316–321
Berry E – see DaCosta V, 641–646
 Beta-thalassaemia major, 3–8
 Biopsychosocial model, 493–497
 Birth size in sickle cell disease, 36–40
Bissoon A – see Balkaran R, 86–90
 Black, 316–321
 Blacks, 422–428, 429–433
 Bleeding in the gastrointestinal tract, 289–292
 Blindness, 357–359
 Blood pressure, 141–147
Bodkyn C – see Timothy M, 153–157
Bodoe C – see Ramcharan K, 694–695
 Body mass index, 581–586,
 Body mass index and dental caries, 581–586,
Boersma AA, De Bruijn JGM.
 Contraception and induced abortion in the West Indies: A review, 564–570
BONAIRE
 – Childhood obesity in the Caribbean, 442–445
 Bone grafting in dentistry, 336–339
Boodram LG, Miyake K, Hayes MG, Bell GI, Cockburn BN.
 Association of the *KCNJ11* variant E23K with Type 2 diabetes in Indo-Trinidadians, 604–607
BOOK REVIEW
 – Dentistry in Jamaica, 1905–2009: A Review, 599
Borja-Hart N, Douglas SM, Marino J, Garcia A, Anderson-Worts P.
 Preparation for a medical mission to Jamaica – pharmacy's perspective, 199–202
Boyne MS – see Chin SN, 141–147
 Brain, 571–575
 Brainstem nuclei associated with the vagus nerve in the agouti, 46–52
Brathwaite A – see
 – see Brathwaite N, 434–441
 – see Fletcher H, 137–140
Braithwaite EA – see Brewster Sr EM, 587–589
Brathwaite-Graham L – see Morris E, 452–458
Brathwaite N, Brathwaite A, Taylor M.
 The socio-economic determinants of obesity in adults in the Bahamas, 434–441
Brewster Jr EM – see Brewster Sr EM, 587–589
Brewster Sr EM, Braithwaite EA, Brewster Jr EM.
 Advanced abdominal pregnancy: A case report of good maternal and perinatal outcome, 587–589
Bridgelal A – see Mungrove K, 553–556
Brown E, Maharaj S, James K.
 The need for gender specific tobacco control strategies: KAP survey findings on environmental tobacco smoke exposure among women in the reproductive age group, 208–213
Brown JA, Maharaj P, Khan O, Sinanan A.
 A rare case of emphysematous pyelonephritis within a horseshoe kidney, 229–231
Brown MG, Salas RA, Vickers IE, Heslop OD, Smikle MF.
 Dengue human leukocyte antigen associations in Jamaicans, 126–131
Brown MG, Salas RA, Vickers IE, Heslop OD, Smikle MF.
 Dengue virus serotypes in Jamaica, 2003–2007, 114–119
Brown MG, Salas RA, Vickers IE, Heslop OD, Smikle MF.
 Molecular epidemiology of dengue in Jamaica: Dengue virus genotypes in Jamaica, 2007, 120–125
Brown PD – see Finlayson EA, 24–32
 Burden of CKD/ESRD, 464–470
 Cadenat procedure modified, 303–307
 Caesarean, 351–353
 Calcium, 308–315
CANCER
 – Adenocarcinoma of the colon and intussusception, 372–373
 – Body mass index and prostate-specific antigen levels in Jamaican men, 316–321

- *Cassia alata* leaf extract induces cytotoxicity in A549 lung cancer cells via a mechanism that is caspase 8 dependent, 608–614
- Colorectal cancer, 106
- Comparative analysis of thyroid carcinomas in Kingston and St Andrew, Jamaica between two consecutive 15-year periods, 519–524
- Five-year follow-up of patients treated with imatinib mesylate for chronic myeloid leukaemia in Trinidad and Tobago, 298–302
- Interferon- α and gefitinib in human colon cancer cell lines, 107–113
- Malignant neoplasms, 371
- Mammalian skin autotransplants, 257–262
- Massive pleural effusion due to metastases of prostate cancer, 690–693
- Penile cancer in Jamaicans managed at the University Hospital of the West Indies, 525–530
- Prostate cancer, 503–504
- Prostate cancer incidence in Jamaica before and after the introduction of prostate-specific antigen, 597
- Re: prostate cancer incidence in Jamaica before and after the introduction of prostate-specific antigen, 597–598
- Radical prostatectomy outcomes at the University Hospital of the West Indies: 2000–2007, 68–72
- The outcome of febrile neutropenic episodes in paediatric oncology at the Wendy Fitzwilliam Paediatric Hospital, 153–157
- Thirty-year trends in incidence and age-distribution of prostate cancer in Kingston and St Andrew, Jamaica, 1978–2007, 9–12
- The Jamaica Health and Lifestyle Survey 2007–2008, 422–428

Cardiac imaging, 653–657

CARDIOVASCULAR DISEASE

- Cardiovascular disease in Jamaica, 422–428
- Cardiovascular disease risk factors, 429–433
- Prehypertension in Jamaica, 429–433

CARIBBEAN

- A ten-year assessment of anabolic steroid misuse among competitive athletes, 531–535
- Adherence to antiretroviral therapy, 269–275
- Body mass index and prostate-specific antigen levels in Jamaican men, 316–321
- Caribbean, 120–125
- Caribbean community, 384–386
- Caribbean populations and glaucoma, 459–463
- Caribbean renal registry, 464–470
- Childhood obesity, 442–445
- Chronic disease a public health challenge, 397–411
- Chronic disease and ageing, 471–477
- Chronic kidney disease, 464–470
- Clinical utility of transoesophageal echocardiography in low resource environments: The Jamaican experience, 653–657
- Glaucoma in the English-speaking Caribbean, 459–463
- Obesity prevention: The key to non-communicable disease control, 446–451
- Persistent hypokalaemia in a Jamaican hypertensive patient, 674–677
- Prehypertension in Jamaica, 429–433
- Seroprevalence of *Helicobacter pylori* infection in adults in the Bahamas, 662–665
- Sociodemographic and behavioural characteristics of youth reporting HIV testing, 276–283

CARICOM and the Global Non-Communicable Disease Agenda, 387–391

CARICOM, 384–386

Carter FP, Frankson T, Pintard J, Edgecombe B.
Seroprevalence of *Helicobacter pylori* infection in adults in the Bahamas, 662–665

CASE REPORT

- Abdominal pain and levodopa in Parkinson's disease, 223–224
- Acute adrenal insufficiency, 225–228
- Advanced abdominal pregnancy: A case report of good maternal and perinatal outcome, 587–589
- Challenges of airway management in a patient with temporomandibular joint ankylosis complicating forceps delivery, 220–222
- Emphysematous pyelonephritis within a horseshoe kidney, 229–231
- Endogenous gas gangrene after laparoscopic cholecystectomy, 96–98
- Extra-peritoneal rectal injury, 344–345
- Fatal neutropenic enterocolitis due to *Clostridium septicum*, 594–595
- Laparoscopic cervicoisthmic cerclage for the treatment of cervical incompetence, 590–593
- Laryngeal angioedema, 346–348
- Limb ischaemia in a septic patient with diabetic ketoacidosis, 214–216
- Lumbar schwannoma, 232–234
- Multiple myeloma associated with light-chain amyloidosis manifesting as gastric retention: A case report and review of the literature, 681–684
- Myocarditis and the H1N1 virus, 217–219
- Parotid actinomycosis, 349–350
- Peutz-Jeghers syndrome, 340–343
- Primary renal synovial sarcoma, 354–356
- Scar endometriosis, 351–353
- Transient cortical blindness post angiography
- Yellow nail syndrome in a medical clinic, 99–101

Caspase 8, 608–614

Cassia alata, 608–614, 615–621

Cause of death, 371

Causes of death, 103

Cawich S – see Lewis T, 195–198

Cefadroxil, 346–348

Cefepime, 132–136

Cellular and genetic factors, 257–262

Cervicofacial actinomycosis, 349–350

Cervicoisthmic cerclage, 590–593

Charles KS, Ramon L, Leelah N, Oluwabusi TAA, Seemungal T.

Five-year follow-up of patients treated with imatinib mesylate for chronic myeloid leukaemia in Trinidad and Tobago, 298–302

Chelation therapy, 3–8

Chemo-resistance, 666–668

Chen KC – see Lin CW, 678–680

Chen L – see Wang Y, 354–356

Chen WG.

DNA release and uptake associated with the development of pleomorphic cells in mammalian skin autotransplants, 257–262

Childhood cancer, 153–157

Childhood obesity in the Caribbean, 442–445

Children and dental caries, 581–586

Chin J – see Beharry A, 61–67

Chin L – see Lee MG, 284–288

Chin SN, Boyne MS, McGrowder D, Gibson TN, Mckenzie CA.

The predictive value of urinary vanillylmandelic acid testing in the diagnosis of pheochromocytoma at the University Hospital of the West Indies, 141–147

Cholecystectomy, 96–98

Christie L – see
