

## Index to Volume 57: 2008

- Abe S** – see Inoue K, 58–62.
- Abel WD**, Martin JS.  
Suicide: A preventable public health problem, 79–80
- Abiraj V** – see Seemungal T, 7–14
- Acetaminophen overdose, Jamaica, 132–134
- Achalasia treatment for, 486–489
- Acinic cell carcinoma, 70–72
- Adejai EO** – see Ibadapo CA, 152–156
- Adeleye A**, Uju L, Idika N, Sobande O, Igbinosun E.  
Chromosomally mediated antibiotic resistance in non-typhoidal salmonellae isolated from HIV patients in Lagos. 519–520.
- Adeleye A**, Uju L, Idika N, Sobande O.  
Cotrimoxazole resistance in streptococcus pneumoniae isolated from sputum of HIV-positive patients. 497–499
- Adeoye GO** – see Ibadapo CA, 152–156
- Adherence to antiretroviral drugs, 231–237, 293–297
- Adogwa A** – see Ogunsalu C, 166–172, 500–507
- Adolescent births, Antigua and Barbuda, 95–100
- Adolescent HIV, 257–264
- Adolescents and sexual abuse, 307–311
- Adolescents and smoking in Turkey, 141–146
- Age-specific cancer, 81–89
- Ageing, 577–588
- Aiken W** – see Gossell Williams, 75–76
- Akali S** – see Gazi H, 398–402
- Akinci A** – see Seyhan M, 406–409
- Akinsanya B** – see Ibadapo CA, 152–156
- Akpaka PE**, Kisson S, Rutherford C, Swantson WH, Jayaratne P.  
Evaluation of methods and costs for detecting methicillin-resistant staphylococcus aureus isolates from clinical specimens at regional hospitals in Trinidad and Tobago, 24–27
- Akyol A** – see Alper AT, 173–174
- Alexander G** – see  
– Christie CDC, 204–215  
– Johnson N, 216–222
- Ali A** – see Seemungal T, 7–14
- Alleyne, Sir George**  
Chancellor's message, 190
- Alleyne, GAO.**  
Extending the art of medicine, 525–529.
- Alli F** – see Maharaj RG, 352–359
- Alper AT**, Hasdemir H, Akyol A, Cakmak N.  
Subclinical hyperthyroidism presenting with bradycardia-associated syncope, 173–174
- Altin S** – see Talay F, 141–146
- Alveolar bone levels, 410–413
- Alveranga H** – see Hylton-Kong T, 282–286
- Anal sphincter, injuries and management, 482–485
- Anatol T**, Mohammed W, Rao C.  
Interstitial cells of cajal and intestinal function in Trinidadian children, 393–397
- Anatol TI**, Maharaj P, Gardner S, Leach J.  
Delayed development of a biloma in an infant following hepatic injury, 175–176
- Anderson JP** – see Hector RD, 135–140
- Anderson M** – see  
– Christie CDC, 204–215,  
– Johnson N, 216–222
- Anderson-Allen M** – see Moore J, 269–273
- Antibiotic resistance and HIV, 519–520
- Antiretroviral therapy 66–69, 223–230, 231–237
- Antiretroviral therapy and adherence, 293–297
- Antiretroviral treatment in children, 238–245
- Archibald A** – see Ogunsalu C, 166–172, 500–507
- Arscott G** – see Rose REC, 40–47
- Art of medicine, 525–529
- Arvelakis A** – see Michail P, 70–72
- Ashley DE**, McCaw-Binns A.  
Integrating research into Policy and programmes: Examples from the Jamaican experience, 555–561
- Aslam PA** – see Martin TC, 342–345
- Asthmatic bilateral pneumothoraces, 508–510
- Atalay FÖ** – see Karabulut B, 20–23
- Bailey A** – see Eldemire-Shearer D, 450–455
- Bain B** – see  
– Thompson DS, 54–57  
– Weller PD, 274–281
- Bain S** – see Weller PD, 274–281
- Bains BK** – see Martin TC, 342–345
- Barbadians, enslaved, seventeenth Century, 605–620
- Barnaby L**, Gibson RC.  
Factors affecting completion of a 28-day inpatient substance abuse treatment programme at the University Hospital of the West Indies, 364–368
- Barrett DM**, Steel-Duncan J, Christie CDC, Eldemire-Shearer D, Lindo JF.  
Absence of opportunistic parasitic infestations in children living with HIV/AIDS in Children's Homes in Jamaica: Pilot Investigations, 253–256
- Barton EN.**  
Sixtieth Anniversary, The University of the West Indies, 523–524
- Barton M** – see  
– Donaldson D, 369–372,  
– Young J, 28–32
- Barton M**, Bell Y, Thame M, Nicholson A, Trotman H.  
Urinary tract infection in neonates with serious bacterial infections admitted to the University Hospital of the West Indies, 101–105
- Bayiz Ü** – see Karabulut B, 20–23
- BCG, 302–306
- Behçet's disease, urate skin test, 157–160
- Bell Y** - see Barton M, 101–105
- Benign prostatic hyperplasia, 75–76
- Bennett F** – see Jackson ST, 373–376
- Bester CJ** – see Hattingh Z, 431–437
- Bhaskar YG** – see Martin TC, 337–241
- Bhowmik A** – see Seemungal T, 7–14
- Billings C** – see  
– Christie CDC, 204–215,  
– Johnson N, 216–222  
– Moore J, 269–273
- Billings C**, The Kingston Paediatric and Perinatal HIV/AIDS Study Group.  
Tattooing and Perinatal HIV/AIDS in Jamaica. 312–314.
- Biloma in a child, 175–176
- Birth rate, suicide, 182
- Blake G** – see Gibson TN, 81–89
- Boisson EV** – see Ivey MA, 122–131
- Bolt CS** – see Skeete DH-A, 418–419
- Bone formation and density in puberty, 33–39
- Bone regeneration in the mouth, 166–172
- Boodhai V** – see Hariharan S, 112–117
- Booth TF** – see Jackson ST, 511–514
- Bostanci Y** – see Karabulut B, 20–23
- Bourne PA.**  
Health Determinants: Using secondary data to model predictors of well-being of Jamaicans. 476–481
- Bourne PA.**  
Medical Sociology: Modelling well-being for elderly people in Jamaica, 596–604
- Bovine serum albumin as an assay, 327–331

- Brachial plexus, 403–405
- Bradycardia-associated syncope, 173–174
- Brady-West DC** – see Buchner-Daley LM, 493–496
- Braide E** – see Ibadapo CA, 152–156
- Branday JM**, Carpenter RA.  
The evolution of undergraduate medical training at the University of the West Indies, 1948–2008, 530–536
- Brathwaite AR** – see Figueroa JP, 562–571
- Breast disease study, 2000–2002, 90–94
- Brissett D**, Griffiths-Irving J.  
Speak up! Speak out! Building HIV and AIDS awareness among Jamaican school children. 315–320
- Brodie-Walker SN** – see Morgan KAD, 470–475
