

61st Annual CARPHA Health Research Conference 2016

Poster Programme

Public Health

- (P – 1) **Research proposal writing know-how**
LC Benjamin, GC Benjamin
- (P – 2) **The knowledge, attitude and beliefs of undergraduate medical and dental students toward dental treatment during pregnancy**
D Ramsahai, N Ramlogan, T Hector, L Deyalsingh, M Thorpe, T Ford, AK Bissoon-Moonasar, R Balkaran
- (P – 3) **Assessment of burnout in physicians employed with the public healthcare system in The Bahamas**
M Wallace-Bain, M Gonzales-Cameron, R Roberts-Carter, S Zonicle-Newton, S Pinder-Butler, MAC Frankson
- (P – 4) **Total flavonoid content and antioxidative activity of Surinamese nutraceuticals**
DRA Mans, K Oedairadjsingh, J Toelsie, R Bipat, JA Hasrat
- (P – 5) **Health awareness as a predictor of chronic non-communicable diseases in St Vincent and the Grenadines**
D Santhosh, M Crasta, J Campbell, D Green, B Kim, W Alceus
- (P – 6) **The prevalence of dental caries in public and private schools in St Kitts**
R Liburd, P Lawrence-Williams, E Beltran, T Christmas, P Martin, B Irons, S Estupian
- (P – 7) **Level of patients' satisfaction with medical student's involvement in care at Queen Elizabeth Hospital**
SL Brade, PM Lashley, NP Sobers-Grannum
- (P – 8) **Investigating the uptake of the HPV vaccine and knowledge and attitudes toward HPV vaccination in Trinidad**
R Abraham, K Ahow, R Elder, K Mungrue
- (P – 9) **Primary healthcare: Is it the answer to the delivery of effective healthcare in Trinidad?**
K Mungrue

Maternal and Child Health

- (P – 10) **Factors and criteria that prompt delayed pregnancies: Age range (35 years and above)**
D Santhosh, M Flynn, L Jean, SJ Sykes, S Wilson
- (P – 11) **Prevalence of exclusive breastfeeding, its barriers and demographic variation in Montserrat**
A Gopal, G West, I Buffonge, R Elton

Children and Adolescent Health

- (P – 13) ***The morbidity pattern of children with sickle cell disorders admitted to the Queen Elizabeth Hospital, Barbados (2009–2013)***
D Grannum, PM Lashley
- (P – 14) ***Congenital diaphragmatic hernia, omphalocele, gastroschisis and other major congenital malformations of the musculoskeletal system among neonates in Barbados***
K Singh, K Morris, C Best, A Greaves, C Greaves, A Kumar
- (P – 15) ***Effective vaccine management assessment in Guyana – Setting a standard for the vaccine supply chain, 4th July – 21st July 2014***
J Woolford, W Adu-Krow
- (P – 16) ***Addressing teenage pregnancy in St Kitts and Nevis***
S Martin-Clarke, N Carty-Caines, G Avery, P Lee

Living through the Ages

- (P – 17) ***Haemophilia care in Martinique: From 1982 to 2015***
O Pierre-Louis, C Joachim, J Smith-Ravin, MN Yerro, S Molcard, I Citony, F Michel, J Rabout, M Vestris, M Rose, J Véronique-Baudin, S Pierre-Louis
- (P – 18) ***Case study of haemophilia B in a family in Barbados***
C Alexis, T James
- (P – 19) ***What is the incidence of adrenal adenomas in patients with previously diagnosed essential hypertension? An autopsy study***
K Cruickshank, N Depeiza, D Gaskin, C Dupuis
- (P – 20) ***Progress in prostate cancer care in St Kitts and Nevis***
D Thwaites, J Scarborough, G Avery

Non-communicable Diseases

- (P – 21) ***Determining the prevalence and distribution of Type 2 diabetes in Nevis***
JW Richardson, C Conn, M Crawford-Johnson, A Browne, A Herbert, S King, D Omar, N Swaby, Y Tchuisseu, A Wills, M OConnor, G Mills
- (P – 22) ***Prevalence of diabetes, obesity and dyslipidaemia in persons within high and low income groups living in north and south Trinidad***
A Rahman, Y Raghunanan, C Ragoonath, V Rahming, D Rajh, S Rambadan, N Ramdass, BS Nayak
- (P – 23) ***The link between the consumption of sweetened beverages and the development of overweight and obesity among selected students of The University of the West Indies, St Augustine***
S Bawa, N Rupert, M Webb
- (P – 24) ***Overweight and obesity in children in Guyana***
P Singh
- (P – 25) ***Cooperation and response rates in the Burden of Obstructive Lung Disease study in Trinidad and Tobago (BOLD TT)***
F Lutchmansingh, L Conyette, S Sakhamuri, T Seemungal

- (P – 26) ***Barriers and facilitators to reversing diabetes Type 2: Keeping on target during a low-calorie diet***
L Bartholomew, K Bynoe, C Taylor, R Taylor, N Unwin, MM Murphy

Environmental and Occupational Health

- (P – 27) ***A community and environmental health assessment of Onaville, Haiti***
D Myles, S Bidaisee, J Philippe, V Meltzer, C Macpherson
- (P – 28) ***Possible lessons to learn taking a gendered approach to climate change***
H Skervin, C Daniels
- (P – 29) ***A review of biomedical waste management practises at St George's General Hospital, Grenada***
M Forde, C Bholá
- (P – 30) ***Climate change, flooding and laboratory preparedness in Georgetown, Guyana***
C Boston, R Kurup
- (P – 31) ***Large-scale soybean production in the Amazon and pesticide use: Environmental and occupational health risks and concerns***
CJS Passos, BMS Caldas, J Valentini, S Sauer
- (P – 32) ***The aftermath of a disaster: Montserrat 20 years on***
V Brown, G West, G Avery

Social, Economic and Health Issues

- (P – 33) ***To evaluate the blood usage and wastage at Georgetown Public Hospital Corporation between January 2012 and December 2014***
A Anderson, L Burns, M Frank, M George, R Kurup, C Boston
- (P – 34) ***Maternal dietary quality and sociodemographic status and their association with food insecurity in the St George region of Trinidad and Tobago***
J John, LT Hernández Salazar
- (P – 35) ***Assessing family health through a comprehensive community health needs assessment: Focus on qualitative findings***
N Michael, J Valmond, L Ragster, G Callwood, CP Penn, M Smith

Research Protocol

- (P – 36) ***Awareness project in safe pesticide use for 5th and 6th graders at primary schools in Nickerie***
R Ramjatan, WB Hawkins, D Mans, T Graafsma, A van Sauers, MY Lichtveld
- (P – 37) ***The Caribbean Consortium for Research in Environmental and Occupational Health: An assessment of environmental and occupational health threats in Suriname and the Caribbean region***
W Hawkins, D Mans, M Lichtveld
- (P – 38) ***Integrating places of worship into the primary care pathway to prevent and control non-communicable diseases in the Caribbean***
S Harding, U Read, R Gobin, P Ricketts, M Rambaran, P Mohamed, T Thomas, S Macfarlane, TA Samuels, A Abdulkadri, S Persaud, M Bullock-DuCasse, T Davidson-Sadler, D Johnson, J Hospedales, K Cruickshank, R Wilks

- (P – 39) ***The Burden of Obstructive Lung Disease of Trinidad and Tobago Study (BOLD TT) pilot study – Design, methodology, spirometry***
L Conyette, F Lutchmansingh, S Sakhamuri, T Seemungal
- (P – 40) ***Describing cultural challenges in the Burden of Obstructive Lung Disease in Trinidad and Tobago (BOLD TT) study***
L Conyette, F Lutchmansingh, S Sakhamuri, T Seemungal Cruickshank, R Wilks

Advancing Therapeutics, Improving Lives.

For more than 25 years, Gilead has been committed to developing medicines that address areas of unmet medical need for people around the world.

Our portfolio of medicines and pipeline of investigational drugs include treatments for HIV/AIDS, liver diseases, cancer and inflammation, and serious respiratory and cardiovascular conditions.

Every day we strive to transform and simplify care for people with life-threatening illnesses.

GILEAD is a proud sponsor of
CARPHA's 61st Health Research
Conference.
