

**THE UNIVERSITY OF THE WEST INDIES,
MONA**

The Department of Computing
invites applicants

Post-Graduate Diploma in Information Technology

The Post-Graduate Diploma in Information technology is a one-year programme designed for graduates with no previous training in computing. Students will be equipped with the basic requirements to pursue a higher degree in computing, or to transition to an entry level position in the IT industry.

Entry Requirements:

Applicants should possess a first degree in any discipline except Computing

How to Apply:

Application forms can be obtained and submitted electronically at <http://sas.uwimona.edu.jm:9010>. Once this is done, take the original supporting documents and copies to the Office of Graduate Studies and Research.
