CC: All Campus Coordinators,
Graduate Studies & Research

FROM: Professor Dale Webber
Pro-Vice-Chancellor, Graduate Studies 

DATE: October 02, 2015

SUBJECT: **NEW UWI GRIP TURNITIN CONTAINER**

The University has created a new *UWI GRIP* Turnitin container for postgraduate students only that will allow you to check your papers for compliance with referencing guidelines. This container was opened on October 01, 2015 and will close September 30, 2016. You will need to use the following credentials when signing up to access the account:

Class ID: 10821538

Enrolment password: papercheck15

The *Turnitin* software is available to you without charge. It enables you to check your work as many times as is necessary, from anywhere or at any time, to ensure that any words, ideas or creations of another author that you use are acknowledged and appropriately referenced. Consequently, I urge you to use this medium to check your work before submitting it to the Office of Graduate Studies and Research for examination.

For more information, please visit the UWI GRIP at <http://www.uwi.edu/grip/turnitin.aspx>.
