

THE UNIVERSITY OF THE WEST INDIES MONA, JAMAICA, WEST INDIES

The University of the West Indies (UWI) is a dynamic, international institution serving the countries of the Commonwealth Caribbean. Its faculties and institutes offer a wide range of undergraduate, masters and doctoral programmes in Humanities and Education, Science and Technology, Engineering, Law, Medical Sciences, Sport and the Social Sciences. The institution represents the oldest of its kind within the region and has been responsible for producing outstanding leaders who have made remarkable contributions to regional development.

Applications are invited from suitably qualified individuals for the post of:

LECTURER/SENIOR LECTURER IN NURSING

The UWI School of Nursing, Mona

Reference No. MPN 105620

As a leading academic institution, we are committed to high-quality evidence-based nursing/midwifery education consistent with global and local standards and population healthcare needs, by fostering scientific inquiry, critical thinking, professionalism, and the transfer of knowledge and to caring interventions across the life cycle and throughout the wellness-illness continuum. We aim to conduct research of local and international relevance.

The successful candidate will be required to:

- Engage in innovative student-centred pedagogy and assessment in face-to-face classroom, clinical and virtual settings;
- Manage graduate and/or undergraduate course delivery across multiple sites;
- Participate in the strategic planning and management of undergraduate /graduate programmes, including curricula development within the Department and wider Faculty;
- Conduct substantive research into complex problems, ideas, concepts, or theories, applying appropriate methodologies.
- Engage with external institutions, organisations, and the wider community to support research, teaching, and the campus' strategic objectives.
- Participate in relevant University committees and boards, advising and mentoring students, peers and contributing to departmental or institutional initiatives.
- Provide leadership, as required in support of the overall strategic direction the School and wider University.

Essential Qualifications and Experience:

- A doctoral degree (PhD) or Doctor of Nursing Practice in relevant areas of nursing, midwifery, and healthcare
- Demonstrated ability to deliver content across multiple areas at the undergraduate and graduate levels, and a track record of conducting cutting-edge research that has resulted in publications in high impact scientific journals.
- Minimum of four (4) years' experience teaching related courses at the University level.
- Be registered and licensed by the Nursing Council of Jamaica.
- Experience in academic administration, committee work, and service to the university or academic community.

Required Knowledge, Skills, and Abilities:

- Demonstrated strong interpersonal, communication and presentation skills
- Ability to work effectively in a team, collaborating with other faculty members and contributing to the development of the School and the institution.
- Coordinate graduate and undergraduate student programmes, and high-impact research.
