INTRODUCTION

The Caribbean Institute of Mental Health and Substance Abuse (CARIMENSA) was established as a Centre within the Faculty of Medical Sciences in February 2006 with supportive relationships to the Section of Psychiatry in the Department of Community Health and Psychiatry. The Executive Director of CARIMENSA is Professor Emeritus Frederick W. Hickling of the Department of Community Health and Psychiatry.

PRIVATE/PUBLIC PARTNERSHIP

CARIMENSA has engaged in a private/public partnership with Psychotherapy Associates Ltd, one of the leading private medical research
organizations in Jamaica (Figueroa & Henry Lee 1998). This collaboration has facilitated the development of CARIMENSA as a self-sustaining organization within the UWI, in keeping with its remit from the F&GPC UWI. Psychotherapy Associates Ltd. has provided office and classroom facilities, administrative and utility support for this fledgling UWI Institute.
