

THE UWI MONA LIBRARY TO LAUNCH LIBRARY ZONES

The UWI Mona Library aims to be a knowledge resource centre of excellence. We go the extra mile in providing information resources in an atmosphere conducive to support the teaching, learning and research activities of the UWI community.

The Mona Library will be hosting a soft launch on “Zoning in the Library” on **Thursday, October 1, 2015** at 10:00am at the entrance of the Main Library.

The initiative to have designated zones in the Library is being introduced to create a balanced environment which will cater to a variety of activities within the library including collaborative and quiet study. The zoning will commence in the Main Library and after an appropriate period the branch libraries (Science, Law and Medicine) will also be zoned.

Do you know your Zone?
