

# Students Advance to the Final Round

The Department of Mathematics at the UWI, Mona, has completed the assessment of the Semifinal Round Examination in the 2014 Jamaican Mathematical Olympiad. This examination was held on February 22 at the UWI, Mona Campus. The Olympiad Organizing Committee has determined that 139 students will advance to the Final Round. These students come from a total of 28 high schools in Jamaica.

The Final Round consists of two events. The first is a problem-solving workshop for all advancing students. This will be held on Saturday, March 15, at the UWI, Mona. The second is the Final Round Examination. This will be held on Saturday, March 22, at the UWI, Mona. The examination will last for three hours. More information for each school is given in a separate posting called "Guidelines for Final Round Students".

The students who have qualified for the Final Round are listed in the pages following the Semifinal Round Report below.
