Instructions

DISCLAIMER: This worksheet was developed as a tool to help students and advisors quickly view the requirements for individual degrees, and are not intended to replace the definitive degree requirements listed in the Faculty of Social Sciences Handbook. If there are any discrepancies between these worksheets and the requirements listed in the handbook, the student should always defer to the handbook for the accurate, contractual listing of requirements between the student and The University of the West Indies.

1. Please check to ensure that you have accessed the correct worksheet namely your major and the year you started your programme.

2. Access your Faculty of Social Sciences handbook (whether hard or soft copy) for the year you entered your programme. Turn to the section which speaks to the courses required to complete your specific degree.

3. We will be starting from your final year and working backwards to your first year. However, you will be **registering** for your courses from 1st to 3rd year.

   If you are attending the University:

   Full time – Register for **5** courses per semester your degree will be completed in **3**

   years **Part time** – Register for **3** course per semester your degree will be completed in **6**

   years

4. Look at your core courses that form a part of year 3. Using your handbook verify the semester that each course is being offered and fill them in under the heading labelled **SEMESTER.**

5. Next, check to see if there are any prerequisites to these core courses. If the prerequisites are not a part of your core courses in any of your years, insert them in your free elective slots.

6. Repeat steps 4 & 5 for levels 2 and 1.

7. Once you have selected all the courses that are prerequisites to your core courses and have placed them in your respective free elective slots, if there are still empty free elective slots you should now select other free electives to complete the credit requirements for your degree.

8. Once you have passed the course under **STATUS** you can put the letter "**P"** so you will be able to keep track of your progress.
