SCHEDULE

EXECUTIVE EDUCATION COURSES

September 2023 to July 2024

ABOUT US

The Professional Services Unit of Mona School of Business and Management offers management consulting services and executive education to business, government and NGOs, nationally and regionally.

The Education and Training Division offers courses in the following portfolios:

1. ***Executive Education Series:*** These courses focus on senior managers and executive development.
2. ***Appreciation Series:*** These courses offer a brief introduction to specialised business topics so persons may understand and choose to go deeper.
3. ***Masterclass Series:*** These courses are offered to finesse personal development and include the fine arts, etiquette, couture, public speaking and items of a higher livity.
4. ***Lifestyle Series:*** This series targets the greying market. The icon of this is a Pre-Retirement Workshop Series offered to firms for employees who will soon retire. This series also offers personal development in other areas.
5. ***Diaspora & Caribbean Series:*** These courses carry dual certification in Jamaica, America or Britain. They are offered in Jamaica, Caribbean diaspora, in these countries and CARICOM countries.
6. ***Customised Training:*** Tailor-made solutions are provided for your business objectives. We design high impact programmes customised to meet the needs of particular firm, government agency or group of employees.

PARTNERS

We partner with overseas associations to provide globally recognized certifications. These include:

1. **The Project Management Institute (PMI)** that has named MSBM as an Authorized Training Partner (A.T.P.). The designation validates that the organization meets or exceeds PMI's rigorous quality standards and can deliver world-class, effective project management training and education.
2. **International Institute of Business Analysis (IIBA)** helps business analysts develop their skills and further their careers by providing access to relevant content and international certification.
3. **Council of Supply Chain Management Professional (CSCMP)** since 1963 has been the preeminent worldwide professional association dedicated to the advancement and dissemination of research and knowledge on supply chain management.
4. **The Chartered Institute of Logistics and Transport (CILT)** is the professional society representing the logistics and transportation industries. They provide a network and support for professional development. CILT aims to build a Stronger Community in Supply Chain Industry.
