Mona GeoInformaticS Training Schedule

Mona GeoInformaticS (MonaGIS) is offering Introductory and Advanced GIS training courses at the Mona Informatix Ltd. facility, UWI. Classes begin **October 13th, 2008** and end **November 20th, 2008**.

**List of Modules in Introductory Course:-**
(Total: 30 hrs over 6 weeks)

- Introduction to ArcView GIS
- Introduction to ArcGIS 9.x
- Cartography
- Manipulating data, Georeferencing & Digitizing.
- GPS Mapping
- Reprojecting & Plotting GPS data
- 2D & 3D Spatial Modeling & Analysis
- Project Application

Classes are held Mondays and Wednesdays or Tuesdays and Thursdays over six weeks. Each training session lasts for 3 hours and is conducted twice per week, totaling 30 hours for the entire course – all at a reasonable cost.

The individual rate is reduced by 6% if a group of 5 registers.
UWI students and staff receive 15% discount and this rate is further reduced if a group of 5 registers.

*Flexible payment plan available - conditions apply.*

Special/Customized programs, including Advanced, Software–Specific and Application-Specific courses, are available by appointment. Courses are customized for groups of at least 5 participants.

Registration is currently taking place and will end on Monday **October 6th, 2008**.
