MEMORANDUM

TO: UWI-Mona Staff

FROM: CAMPUS REGISTRAR

DATE: August 28, 2025

RE: Pivot to Online Remote Teaching for the 2025 General Election – September 3, 2025

This is to advise that the Mona Campus will pivot to online remote teaching on September 3rd to facilitate students being able to vote in the 2025 General Election, having regard to the fact that many students may need to travel to various parts of the island in order to vote. Faculty are therefore asked to note that there will be no face-to-face classes on the day.

As advised in our notice to staff on August 25th, staff will be permitted three (3) hours to vote in addition to their normal lunch period. Members of staff who may need to vote at Polling Stations some distance away from their work location may engage their supervisor to make arrangements to take leave on the day or for consideration for remote working arrangements, where appropriate.

Heads of Departments are being asked to ensure that there is adequate coverage of their Department/Unit/Section.
