

**The Insurance Association of the Caribbean, Inc. in association with Sagicor Life Inc.
Presents**

**The Insurance Association of the Caribbean, Inc., Annual Insurance Scholarship
For Studies in Insurance, Actuarial Science or Risk Management**

The Insurance Association of the Caribbean (IAC) Inc. is a non-profit organisation dedicated to the promotion and growth of the Caribbean Insurance Industry. Its membership is diverse with a large contingent of registered affiliates located throughout the Caribbean, Canada, Europe and the United States that specialise in every field of insurance. The Insurance Association of the Caribbean (IAC) was the “brainchild” of a small group of visionaries (industry leaders from Jamaica, Trinidad & Tobago, Guyana and Barbados) who wanted to prepare the indigenous insurance industry for the future challenges of the remaining century.

Sagicor Life is a leading financial services provider in the Caribbean, with over 180-years of history, and has a growing presence as a provider of life insurance products in the United States. Sagicor offers a wide range of products and services, including life, health, and general insurance, banking, pensions, annuities, and real estate. Sagicor’s registered office is located at Clarendon House, 2 Church Street, Hamilton, HM 11, Bermuda with its principal office located at Cecil F De Caires Building, Wildey, St. Michael, Barbados.

In an effort to encourage tertiary level students to study and pursue careers in insurance, risk management and actuarial science, **The Insurance Association of the Caribbean, Inc.** in association with **Sagicor Life** is pleased to announce **The Insurance Association of the Caribbean Inc. Annual Insurance Scholarship**.

It is our hope that by offering scholarship opportunities, young scholars would be encouraged to take insurance, actuarial science and risk management courses, while receiving the financial support they need to complete their degrees.
