

The Sol Scholarship▶

The Sol Scholarship is founded on an agreement between Sol and The University of the West Indies, Cave Hill Campus with the aim of providing funding for high performing students across the campuses of the University of the West Indies including Cave Hill, Mona, St. Augustine and the Open Campus.

This partnership with the University of the West Indies is very much in line with the work which Sol has been undertaking across the region from a social investment and community development perspective. The scholarship is awarded to eligible students at the undergraduate and postgraduate levels enrolled in:

- Engineering
- Social Sciences
- Science & Technology Faculties.

Through this programme, Sol will facilitate internships where possible to suitable candidates who demonstrate a high aptitude and interest in our various streams of business.

Who's eligible?

All fully matriculated students of the University of the West Indies' four campuses at the undergraduate and post graduate levels enrolled in the Engineering, Social Sciences or Science & Technology Faculties are eligible to be awarded the scholarship.

Where and when do you apply?

Undergraduate students:

Applications forms can be downloaded from
<http://myspot.mona.uwi.edu/osf>

Completed application forms must be submitted to the Office of Student Financing, UWI by May 30, 2014. For more information please call (876) 935-8315.

Postgraduate students:

Application forms can be downloaded from
<http://myspot.mona.uwi.edu/postgrad/scholarship>

Completed application forms must be submitted to the Office of Graduate Studies & Research, UWI by May 30, 2014. For more information please call (876) 935-8995.

What are we looking for?

Sol is proud to state that our people think, act, and lead. We are looking for individuals who demonstrate the ability to think beyond the normal, act effectively and professionally and become leaders in their field of study.

The Sol Scholarship Programme

Sol is the premier supplier of petroleum products to the Caribbean basin, providing customised energy solutions to customers every day and for generations to come.

The Sol Group supplies fuels, lubricants, and LPG through an extensive service station network and supplies petroleum based products to commercial customers who are involved in shipping, luxury boating, aviation, mining, trucking and fleet operations. Included also in our portfolio is a Shipping Division which is responsible for transporting crude oil, refined products, liquefied petroleum gas and liquefied natural gas (LNG).

At present, we operate across twenty-one (21) countries and employ over six hundred (600) highly-skilled employees. Our business is managed through talented local managers and supported by a Corporate Head Office located in Barbados.

The Sol Scholarship

The Sol Scholarship is founded on an agreement between Sol and The University of the West Indies, Cave Hill Campus with the aim of providing funding for high performing students across the campuses of the University of the West Indies including Cave Hill, Mona, St. Augustine and the Open Campus.

This partnership with the University of the West Indies is very much in line with the work which Sol has been undertaking across the region from a social investment and community development perspective. The Scholarship is awarded to eligible students at the undergraduate and post graduate levels enrolled in:

- Engineering,
- Social Sciences
- Science & Technology Faculties.

Through this Programme, Sol will facilitate internships where possible to suitable candidates who demonstrate a high aptitude and interest in our various streams of business.

Among the Primary Criteria, selected students are required to meet the following:

- i. At the Undergraduate Level, applicant must have completed the first year of programme. This is not relevant to the Masters or PhD Programmes.
- ii. Applicant must have a minimum cumulative GPA of 3.0 or higher on a 4.0 scale.
- iii. Applicant must be a citizen of the OECS, CARICOM, or any Sol territories not represented in these aforementioned groups.
- iv. Applicants must be studying within the Science or Social Science disciplines
- v. Applicant should demonstrate leadership in their work or community sphere.
- vi. Applicant should demonstrate a financial need for the additional funding.
- vii. Applicant must complete and submit the Sol Scholarship Form by relevant deadline each year.

Our commitment to this programme reflects Sol's objective to contribute to the educational development of promising students within the region. These students will in turn represent a high caliber of human resources required within the evolving energy sector and the wider streams of business. The team at Sol is proud of this partnership and will continue to take the lead as a responsible corporate partner to the communities and governments which we serve.
