About THE UNIVERSITY OF THE WEST INDIES

# One UNIVERSITY

FIVE  
CAMPUSES

As the number one Caribbean university, The University of the West Indies (The UWI) is internationally recognized as a centre of excellence in research, knowledge creation and innovation. We are a dynamic, regional institution serving 17 countries of the English-speaking Caribbean.

## More FOR *You* AT THE UWI MONA

- We are the only Caribbean University to be ranked among the top 1.5% of universities in the world
- 10 modern on-campus student housing options & world-class learning facilities
- More than 300 programme options
- Internationally respected faculty members
- 10 sporting disciplines with relevant world-class facilities
- Two beautiful locations: Kingston & Montego Bay
- Strong global UWI Alumni network
- Over 100 student clubs and societies
- Exclusive UWI facilities (beach, North Coast and Port Royal Marine labs, log cabin in the Blue Mountain Range)
- Numerous scholarships and bursaries available
- Flexible study options – interested in more than one area of study? After your first year, you may choose a double major, major and minor, or major with two minors

# BEST of Both WORLDS

PAY LOCAL, STUDY GLOBAL

Imagine spending one or two semesters at an overseas university or another campus of The UWI at the same cost as your UWI Mona tuition! Choose from over 50 of our partner universities in 15 countries worldwide.

For a list of our partner universities:

<https://www.mona.uwi.edu/iso/our-partners-0>

## SECURE YOUR FUTURE

At The UWI, Mona Campus

Follow These Sample Steps

- 
- 1 Review entry requirements and choose your programmes:**

Pay special attention to faculty and programme entry requirements (see pages 4 – 6). You will be considered for an offer only if minimum requirements are met.

You can apply for 4 programme options (in order of preference) across 2 faculties. Get more details on programmes and the courses you will take at <https://www.mona.uwi.edu/programmes/search>
  - 2 Complete the free online application by March 31 at <https://www.mona.uwi.edu/apply>**

Your application will only be reviewed after all required documents are uploaded and submitted.
  - 3 Apply for Financial aid**

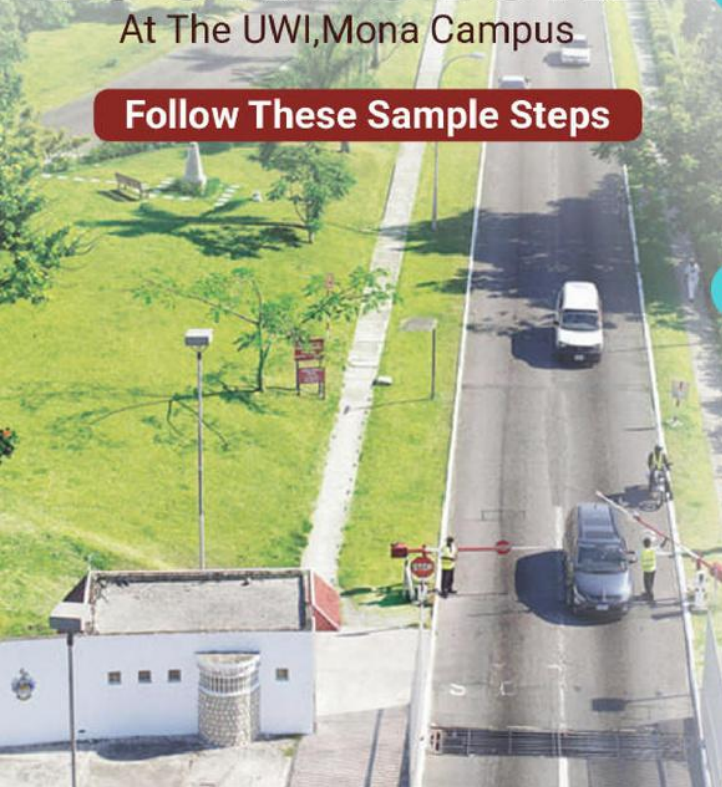

Submit applications for scholarships and bursaries through the Office of Student Finance (OSF) at <https://www.mona.uwi.edu/osf/>
  - 4 Keep checking the applications portal and your email for updates. While you wait for an offer...join our network!**

Connect with us to be updated on campus life, events and all things UWI Mona!

 @uwimona    @uwimona    @uwimona  
 @uwimona    @uwimona    @uwimonacampus
  - 5 Once you have received an offer, accept as soon as possible and pay the commitment fee (JM\$20,000.00) to confirm the acceptance of your offer.**

Offers are usually made between February and August via email. Apply early for early consideration.

**Apply for on-campus housing**  
Once you have received your offer of entry, you can apply for on-campus housing at <https://www.mona.uwi.edu/student-accommodation>

# ENTRY REQUIREMENTS

## Faculty of Engineering

Bachelor of Science (B.Sc. Engineering)

Three Years Full-Time

Five CSEC subjects (General Proficiency Grades I-III) and/or GCE O'Level/BGCSE subjects (Grades A-C) which must include English Language, Chemistry, Mathematics and Physics AND two double Units CAPE or two GCE A Level passes in Pure/Pure & Applied Mathematics and Physics OR Equivalent qualifications from approved tertiary institution. Biology at any level could be an advantage for Biomedical Engineering.

**NOTE:** Holders of Associate degrees or diplomas from approved Caribbean tertiary level institutions must possess a minimum Grade Point Average of 3.5 or 65% and above.

# ENTRY REQUIREMENTS

## Faculty of Medical Sciences

### **Bachelor of Medicine, Bachelor of Surgery (M.B.B.S.) / Doctor of Dental Surgery (D.D.S.)/ Doctor of Veterinary Medicine (D.V.M)**

Five years Full-Time (applicants must be at least 18 years old in year of admission)

- Five CSEC subjects (General Proficiency Grades I-III) and/or GCE O Levels/ BGCSE (Grades A-C) in English Language, Mathematics, Biology, Chemistry and Physics AND three double Units CAPE subjects or three A- Level subjects including Chemistry, Biology and any other subject.

**NOTE:** Physics and Mathematics are compulsory at the CSEC/BGCSE level, whereas Biology and Chemistry are compulsory at CAPE/A-Levels

OR

UWI introductory year in Science & Technology Courses in Biology, Chemistry and one other

OR

Triple Major Associate from an approved community colleges degree majoring in Biology, Chemistry and one other subject with GPA greater than 3.5.

OR

Equivalent qualifications (as determined from transcripts).

### **Non-Academic Considerations**

- All candidates are required to submit a short autobiographic sketch outlining the reasons for their career choice (300 words or less) Candidates must also produce evidence of their involvement in relevant extra-curricular/co-curricular activities, socially-oriented projects and voluntary community service in the year prior to their application.
- DDS applicants are required to attend an interview
- Submit Work Observation Form

### **Entry Level Doctor of Pharmacy (PharmD)**

**Five Years Full-Time (applicants must be at least 18 years old in year of admission)**

- Five CSEC subjects (General Proficiency Grades I-III) and/or GCE O Level /BGCSE subjects (Grades A-C) which must include English Language, Biology, Chemistry, Mathematics and Physics AND 3 double Units CAPE subjects or 3 A- Level subjects in Biology, Chemistry and Mathematics or Physics.
- Applicants will be required to attend an interview.
- Two letters of recommendation from individuals who can attest to the candidate's character, scientific ability and work experience

### **B.Sc. Diagnostic Imaging (Radiography) - Three years Full-Time**

- Six CSEC subjects, (General Proficiency Grades I-III or equivalents) in English Language, Mathematics, Physics, Biology or Human and Social Biology, and two other subjects including a science subject.
- Physics is a compulsory subject for entry to the Diagnostic Imaging (Radiography) programme.
- Applicants are required to attend an interview.

**B.Sc. Nursing - Four Years Full-Time (applicants should be at least 17 years old at the time of admission)**

- Five CSEC subjects (General Proficiency Grades I-III) and/or GCE O Level/BGCSE subjects (Grades A-C) which must include English Language, Biology/ Human and Social Biology, Mathematics and two other approved subjects AND Two double Units at CAPE (one subject from Mathematics, Physics, Biology, and one subject from any of the other subject areas, as specified by the Nursing Council of Jamaica).
- Applicants are required to attend an interview.

## Faculty of Medical Sciences Contd.

**B.Sc. Physical Therapy** - Three Years Full-Time (applicants should be at least 18 years old at time of admission)

- Five CSEC subjects (General Proficiency Grades I-III) and/or GCE O Level /BGCSE subjects (Grades A-C) which must include English Language, Mathematics and Biology AND Two double Units CAPE subjects or two A- Level subjects, chosen from Physics, Chemistry, Mathematics, Biology.
- Complete 60 voluntary hours in a physical therapy facility at the time of admission, at least 30 of which must be spent in a general hospital. Candidate must make their own arrangements for doing voluntary hours
- Applicant are required to attend an interview.

### **Bachelor of Basic Medical Sciences (BBMedSci)** **Three years Full-Time**

*(Options: Anatomy, Biochemistry, Physiology and Pharmacology)*

- Five CSEC (General Proficiency Grades I-III) and/or GCE O Level/BGCSE subjects (Grades A-C) in English Language, Mathematics, Biology, Chemistry and Physics AND two double Units CAPE subjects or two A- Level subjects chosen from Chemistry, Biology/Zoology, Physics/Mathematics
- **OR** UWI preliminary Science and Technology courses: Chemistry, Life Sciences, Physics, Mathematics
- **OR** Equivalent qualifications (as determined from transcripts).

**NOTE:** Students registered in the Bachelor of Basic Medical Sciences Programme cannot transfer to the M.B.B.S Programme. However, on completion they can apply to the M.B.B.S. Programme where credits may be granted.

Institute of Gender and Development Studies	Mona	Cave Hill	Open Campus	St. Augustine	Five Islands
Bachelor of Science-Three Years Full-Time/Four Years Part-Time	●				

## English language:

English Language is compulsory for admission to all programmes of The University of the West Indies. Candidates who do not possess a Grade I in CSEC English A, a Grade A in GCE O'Level / BGCSE English Language, Grade I or II in CAPE Communication Studies or a Grade A in the GCE General Paper, are required to take an English Language Proficiency Test on entry.

Applicants whose first language is not English must perform satisfactorily in an approved English Language Test, such as the Test of English for Foreign Language (TOEFL). For information of TOEFL please visit [www.toefl.org](http://www.toefl.org)

## Foreign Language Requirement:

All students who have been accepted into The University of the West Indies to read for an undergraduate degree are required to register for and successfully complete a prescribed three-credit foreign language course at the level of their competence.

“Foreign Language” encompasses all languages, including Creole of the Caribbean

## Exemptions:

Students who matriculated into The University with a foreign language obtained at the Caribbean Examinations Council with CSEC (Grade I,II or III) or CAPE Unit I or II (Grades I to V) or an equivalent, will be exempted from this requirement.

All international students whose first language is not English and who matriculated into the University with English as a Second Language qualification will be also be exempted from this requirement.

## Other Acceptable Qualifications:

An Associate degree from an approved Caribbean tertiary level institution with a minimum GPA of 2.5 and above are considered as having satisfied normal matriculation requirements for entry to certain faculties.

*In specific instances credit/exemptions may be given in respect of Level 1 courses. A higher GPA is required in order to obtain Credit/Exemption based on Associate degrees.*

## Non Regional Qualifications:

International Baccalaureate (IB)

SAT/ Advanced Placement

The ACT Test

Ontario Secondary School Diploma (OSSD)
