

## DEGREE PLANNING CHECKLIST

This Checklist is a resource designed to guide FSS students in: (i) tracking their rate of progress, (ii) undertaking a credit check and (iii) identifying the need for academic advising. It is not intended as the official confirmation of a student's eligibility to graduate. The programme requirements outlined below are applicable ONLY for the following major and year of admission/readmission/transfer/change of major.

This Checklist must be used as a supplement to the Undergraduate Handbook. In cases where the programme requirements in the Checklist differ from those outlined in the Handbook, the Handbook will take precedence.
