Message from the Head of Department

The Department of Government welcomes all new and returning students for the new academic year. We hope that here you will find an enabling and secure space to realize your highest academic ambitions as we lay the foundation for the personal and professional development of all our matriculates. Throughout its illustrious history, The Department has carved a niche for itself as a pioneering centre for research, scholarship, leadership, innovation, mentorship and student development. Our graduates can be found in many professional fields such as diplomacy and international trade; political science, public policy, government, non-governmental and business organizations; donor agencies, and global philanthropic institutions in the region and across the world.

The Department of Government is not only your place to shine but we also provide great opportunities for all students to contribute positively to alumni life, community development, youth development and overall nation building through our vibrant club associations, particularly through our flagship club – The Governance Society. Our restructured course offerings incorporate the most contemporary analytical and assessment tools, comprehensive and participatory discourses, the widest array of academic materials, new innovations and technologies as well as practical components, such as internships, that will ensure that we produce well-rounded graduates who are well-equipped for the world of work in both expertise and experience.

The foremost mission of the Department is to groom next-generation leaders and critical thinkers who will use the practical and theoretical tools cultivated through the Department’s programmes to solve existing as well as emerging social, political, economic and cultural challenges. Our dedicated academic and administrative staff as well as our student leaders are committed to providing the support system, mentorship and instruction that will help new and returning students to adjust, aspire and excel into globally-competitive professionals. The Department also boasts a strong multi-cultural, multi-ethnic and multidimensional character.

Finally, as we enter this new chapter of our collective journeys, I encourage you to take responsibility in the process; become inspired, work hard, be involved, forge positive alliances, seek advice and make use of the services offered by us en route to becoming the distinctive University of the West Indies Graduate. For our part, we will do everything that is possible to make your experience a seamless, rewarding and transformative one. Have fun, enjoy your journey!

FIVE THINGS YOU SHOULD KNOW NOW

1 ORIENTATION AND ACADEMIC ADVISING: The Orientation and Academic Advising scheduled at the start of the academic year are essential to the academic success of students. It provides an opportunity to welcome, engage, and share with students, information relating to their programme of study, course selection, and charting an academic career. As such, attendance at these sessions by newly-admitted students is mandatory.

2 REGISTRATION: Students must register for semester 1 and semester 2 courses at the beginning of each academic year unless they wish to take leave of absence or withdraw voluntarily. It is advisable that students delay registering until they have had a chance to receive academic advising. The courses for which students should register are outlined in the 2018/2019 undergraduate handbook on the Faculty’s website.

3 ENROLMENT STATUS (FULL-TIME/PART-TIME): All students are initially admitted to the Faculty as full-time or part-time students. A new full-time student is required to register for 10 courses in any one academic year while part-time student are required to register for a maximum of 6 courses. Part-time students must complete a minimum of twenty-four (24) credits to be eligible for transfer to full-time. Part-time in the Faculty is defined by a student’s work load per semester and does not mean evening studies. While Level I courses are offered throughout the day and evening, the majority of the courses at Levels II and III are taught during the day only. Thus, students registered part-time must be prepared to attend classes at times between 8am and 5pm.

4 DEFERRAL OF ENTRY: A student who does not wish to commence studies during the semester he/she was admitted or readmitted to the Faculty is not eligible for leave of absence or voluntary withdrawal. Students are advised to inform the Admissions Section of their intention to defer entry.

5 REQUIREMENTS FOR THE AWARD OF DEGREE: In order to qualify for the award of the degree, a student must (i) have completed a minimum of 90 credits (normally equivalent to 30 courses) of which at least thirty credits are from Level I (including the Foundation Course requirements), and at least sixty credits from Levels II & III courses, (ii) have satisfied the requirements of their declared degree programme and (iii) have a weighted/degree GPA not less than 2.0.

---

\(^1\) The Criminology (Minor) is offered jointly by the Departments of Government and Sociology, Psychology and Social Work.
11. **Admission Priority to Finalizing Students**
Priority will be given to finalizing students who need a particular course to graduate. Other students will be admitted on a first-come-first-serve basis.

12. An Undergraduate Coursework Accountability Statement is to be attached by students registered for undergraduate courses in the Faculty to the front of any document submitted as a component of coursework save for when coursework consists of an invigilated examination. Where the submission is entirely in electronic form, the student shall make an equivalent declaration electronically. *(Students may download a copy of the Statement from the Faculty’s website).*

13. Exemption Without Credit for CAPE Subjects. Students registered in the Faculty who have obtained a Grade I-IV in CAPE subjects will be allowed exemption without credit as follows:

This code has been generated in line with what is believed to be staff and students’ general perceptions on what may or may not be considered appropriate conduct, and has been formulated through constant consultation with representatives of the relevant groups. This has been done in recognition of the fact that the faculty and its environs should be associated or seen as being synonymous with activities that uphold the university’s, and by extensions its faculties’, mandate towards the expansion and promotion of pursuits of an academic nature; and that persons therein should aspire to conduct themselves in a manner that may be considered socially acceptable. Therefore, wholesale and/or blatant disregard for the stipulations made herein may result in the application of disciplinary action.

Code of Conduct

(a) Areas surrounding lecture rooms and offices are designated quiet zones. Students shall therefore refrain from engaging in loud conversation or any other noise-generating activity that may cause disturbance. This includes, but is not restricted to singing, recitations, preaching, loud praying, the use of noise-emitting electronic equipment (i.e. radios, phones, etc.), and romping and playing of physical games (e.g. scrimmage). Persons are also to refrain from the use of violent and offensive language.

(b) The Faculty’s space shall be considered as meant for activities of an academic nature. The facilities provided therein should therefore be utilized appropriately and in their rightful fashion.

(c) Persons shall refrain from engaging in behaviour not suited for the Faculty’s space, this includes the restrooms. This takes into account, but is not limited to lying down or sleeping on the furniture, public grooming, and the playing of games such as cards, dominoes and other such board games. Persons shall also refrain from engaging in any activity which amounts to an inappropriate public display of affection.

(d) Persons shall refrain from lingering or congregating along designated pathways in a manner that may obstruct free movement. This includes the sitting on of stairs and railings. Additionally, persons shall avoid walking in or through gardens and related lawns. There shall also be no riding walking in or through gardens and related lawns. There shall also be no riding on the pathways, except in the case of disabled persons who utilize mobility aids.

(e) Persons are not to remove furniture from their prescribed locations. This includes removing chairs and/or tables from classrooms, benches from usual positions, etc. An exception may be made in the case where the movement of furniture
is necessary to facilitate the instructional programme/process, so long as the furniture is replaced in its original position thereafter.

(f) Persons, in adhering to this General Code of Conduct, shall also be careful to abide by the stipulations of other such Faculty guidelines/policies. These include, but are not limited to the Faculty’s Code of Conduct for Instructional Sessions, as well as the Faculty’s Notice Posting Policy.
