

DEGREE PLANNING CHECKLIST

The degree planning checklist is a resource designed to assist FSS students in (i) tracking their rate of progress and programme requirements, (ii) undertaking a credit check, and (iii) seeking timely academic advising from their Department/School. **It is not intended as the official confirmation of a student's eligibility to graduate.** Students must obtain a GPA of 2.0 or higher in addition to at least 90 credits to be deemed eligible for graduation. The programme requirements below are applicable **ONLY** for the following major and year of admission/readmission/transfer/change of major.

Programme Note:

- a) Students are urged to check the current handbook for additional programme requirements and departmental guidelines.
- b) FOUN1013 or FOUN1019 must be completed in the first year of entry.
- c) Students who are exempt from taking the Foreign Language course must substitute it with a level 1 free elective.
- d) Students have the option to take both FOUN1101 and FOUN1201 to meet their Level free elective requirements.
- e) Students pursuing double majors or major/minor combinations that share a specific course cannot count this overlapping course toward satisfying the requirements for both the major and minor. To fulfill the requirements for both majors and major/minor combinations, students must identify suitable substitute courses. See Handbook for details or make enquiries with the Psychology Unit Office.
- f) Students should note that there are certain non-psychology and non-FSS courses which can be substituted for core Psychology courses. Please enquire about such courses with the Psychology Unit Office.
